

MD Anderson Cancer Center, Michale E. Keeling Center for Cancer Research is located in Bastrop, Texas has the following position available:

**ANIMAL TECHNICIAN, REQUISITION NUMBER: 121697**

Department of Comparative Medicine  
Squirrel Monkey Colony  
Salary: \$26,000-\$32,500-\$39,000

**SUMMARY**

The primary purpose of the Animal Technician position is to provide competent technical skills in all areas of animal care in the daily operation of an animal colony within the department of Veterinary Sciences. This position will primarily support the Neotropical (Squirrel Monkey) area and may assist in other animal areas as needed. Works weekends and holidays on a scheduled, rotating basis; may work overtime as authorized by the Manager. This position may be subject to working in biocontainment areas requiring compliance with specific protocols.

**REQUIREMENTS**

**Education:** High school diploma or equivalent.

**Preferred Education:** Some College.

**Certification:** Must meet department American Association of Laboratory Animal Science (AALAS) certification requirements.

**Preferred Certification:** AALAS Laboratory Animal Technician Certification.

**Experience:** Two years of animal related experience in an animal hospital/clinic or an animal research facility. May substitute required experience with completed years of college on a one to one basis.

**Preferred Experience:** College level courses in biological sciences.

**Onsite Presence:** Is Required.

**How to Apply:**
