

MD Anderson Cancer Center, Michale E. Keeling Center for Cancer Research is located in Bastrop, Texas has the following position available:

SENIOR ANIMAL ATTENDANT, REQUISITION NUMBER: 122106

Department of Comparative Medicine
Squirrel Monkey Colony
Salary: \$23,400-\$28,800-\$34,200

SUMMARY

The primary purpose of the Senior Animal Attendant position is to perform specialized duties necessary for the care and maintenance of a variety of animal colonies within the department of Veterinary Sciences. This position will primarily support the Central Services, Clinics, Surgery (CSCS) & In-life Research Coordination, SPF Baboon Nursery, and Large Animal/Laundry area and may assist in other animal areas as needed. Works weekends and holidays on a scheduled, rotating basis; may work overtime as authorized by the Manager. This position may be subject to working in biocontainment areas requiring compliance with specific protocols.

REQUIREMENTS

Education: High school diploma or equivalent.

Preferred Education: Some College.

Certification: Must meet department American Association of Laboratory Animal Science (AALAS) certification requirements.

Preferred Certification: American Association of Laboratory Animal Science (AALAS) Assistant Laboratory Animal Technician certification.

Experience: One year of animal experience in an animal hospital/clinic or animal research facility. May substitute required experience with completed years of college on a one to one basis.

Preferred Experience: Some experience working with animals.

Onsite Presence: Is Required.
